Supervisory Committee Report

We, the Supervisory Committee, engaged the services of RKL LLP to audit the financial statements of West Branch Valley Federal Credit Union for the period ending December 31, 2020. The examination was a study and evaluation of the Credit Union's system of internal accounting control to the extent considered necessary to evaluate the system as required by generally accepted accounting standards.

In their observation, the Credit Union's financial statements are free of any material misstatement and represent an accurate statement of position.

We would like to thank the Credit Union staff and management for their cooperation, hard work and dedication during 2020.

Committee Chairperson- R. Bachman Committee Member- J. Melloy Committee Member- L. Miller

Cordially,
