

To access WBVFCU@Home (FlexTeller) You must sign up for this service. Please contact a Member Service Representative.

Go to: www.wbvfcu.org.

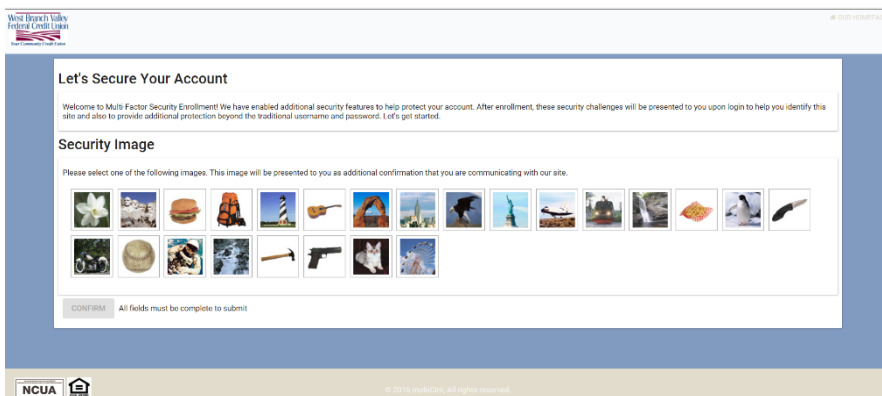

Select Account Access and then select WBVFCU@Home from the navigation bar

This will bring you to the Sign In screen

Your User Name is your account number
Your Temporary Password is the last four digits of your Social Security Number.

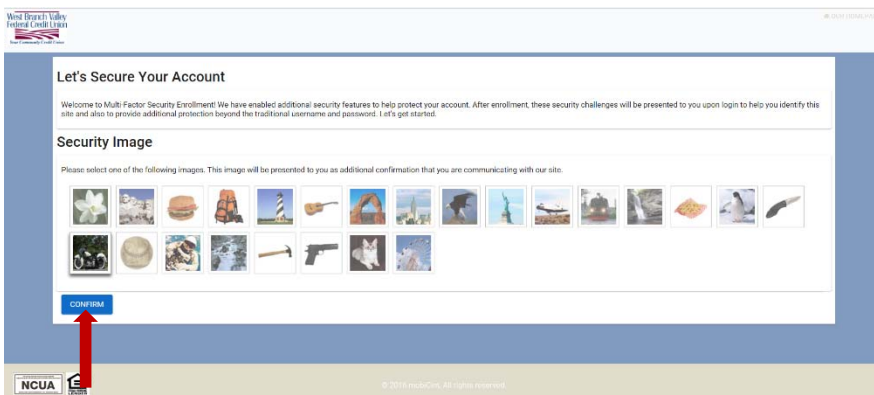

Once you have input your account number and the last four digits of your social security number click **“Sign In”**.

For added security we have Multi-Factor Authentication in place and you will need to choose a security image.

Never log into your account if you do not see the security image you chose.

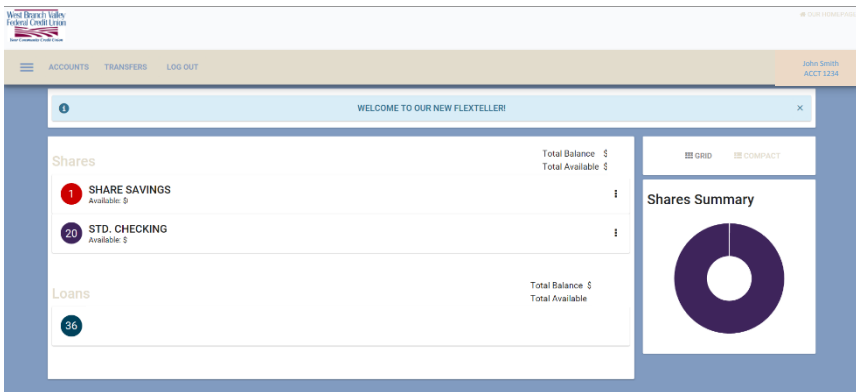

After selecting your image click on **“Confirm”**.

After clicking on “Confirm” for your security image you will be prompted to change your password. *A strong password that includes upper and lower case letters, numbers and one special character is required.*

After choosing your new password hit “Submit”.

Then you are in your account. You can see your balances and any loan accounts you may have with us.
